

KENAI FJORDS RESURRECTION BAY CRUISE

Participants will meet in lobby for their motorcoach transfer from downtown hotel to Seward, Alaska. As they travel south to Seward, with the Chugach Range on one side of the highway, a glimpse of the Alaska Range across the inlet and the Kenai Range in front, the views are nothing short of spectacular. Participants will want to keep an eye out for moose and eagles, and if they are very lucky, bears. As they come across the flats towards Portage, they will see abandoned buildings and tree stumps still standing from the 1964 earthquake, which dropped the entire area over twenty feet. The 2.5-hour drive to Seward (from Anchorage) will take guests up and over the Kenai Mountain Range and through the majestic mountaintop vistas of Turnagain Pass. This scenic drive alone is worth the trip but there's much more to this day. On arrival in Seward, guests will board the ONLY smooth sailing catamaran tour into Kenai Fjords National Park. This tour provides the greatest opportunity for wildlife and glacier viewing - abundant wildlife, excellent whale watching opportunities, and the massive Aialik or Holgate Glaciers. Guest will watch for Humpback whales, Steller sea lions, Dall's porpoise, harbor porpoise, Orca (killer whales), harbor seals, bald eagles, puffins and many other types of marine birds. Every tour is fully narrated by an experienced captain and a National Park Ranger. Lunch is included on the boat. Complimentary beverages include coffee, tea and hot chocolate. Additional snacks and beverages are available for purchase. Return Motorcoach included.
