

Comprehensive Regional Development Strategy (CREDS)

- Region 10 Regional Planning Affiliation (RPA) – Long Range Transportation Plan (LRTP)
- Economic Development District (EDD) – Comprehensive Economic Development Strategy (CEDDS)

Why a Joint Document?

- Both plans in need of update
- Both plans have similar data requirements
- Both plans require public participation

Why Else?

- Desire to focus on integrated planning
- Desire to make plans relevant
- Desire to make documents consumable

Data Gathering and Input

- Identify key trends
 - Much of the data gathering occurred independently over the past year.
- Input
 - Strategic Analysis
 - Meeting with Corridor Business Alliance (CBA) – January 2011
 - County input meetings with Economic Development Commissions – March 2011
 - Economic Development Summit – April 2011
 - Regional Transportation Survey – May 2011
 - Identify critical issues, alternatives, action plan and financial plan
 - Four meetings with CRDS Committee – May-June 2011
