

Leveraging Assets Worksheet: Part 1

Step 1: Assets. Identify three assets in your community or region.	Step 2: Link to Regional/Community Goals. Identify a goal of your planning process that links to these assets.

Leveraging Assets Worksheet: Part 2

Step 3: Opportunities. What steps should your region/community take to protect and build on that asset?	Step 4: Partners and Leaders. Who are the partners and leaders that should be involved in this process?
