

NADO Recognizes 2014 Innovation Award Winners

For 28 years, NADO's Annual Innovation Award program has honored members who have made significant and positive impacts on their regions through innovative approaches to problem solving and program delivery. We are pleased to announce that the 2014 slate of awardees includes 99 impressive projects from 27 states!

NADO congratulates the 2014 Innovation Award-winning projects. This annual program acknowledges creative approaches to regional community and economic development throughout the nation. The winning projects represent the innovative and strategic approaches that regional councils are employing to strengthen and enhance their regions. We applaud their efforts and impact!
