# Greatest Project Success: *Recognition of Regional Relationships*

# Greatest Challenge Faced:

## *Partner Commitment and Continuity*

Elections changed city/county priorities: 2012-2015

- New commissioners in Fremont & both Teton counties
- New mayors in Driggs, Victor and Jackson
- Suspicion of regional governing concepts; Futures Study

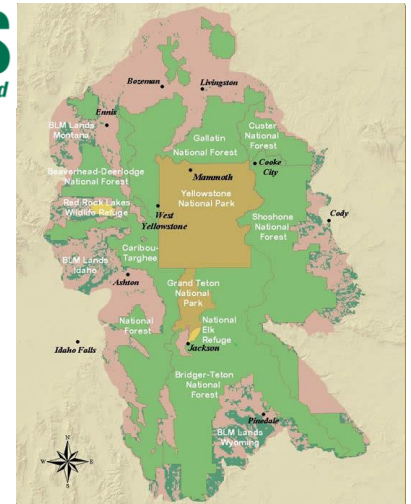

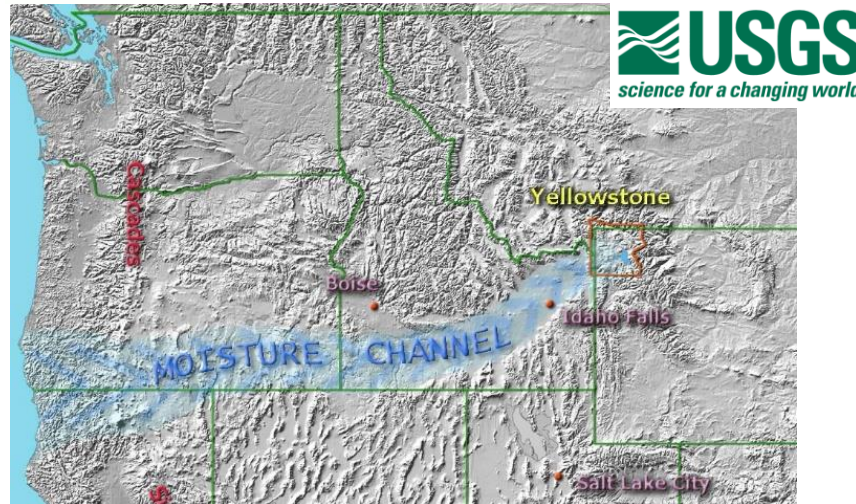

Changes in planning staffs/budgets slowed progress

- New P&Z administrators in two counties; four cities
- Turnover in Fremont County project administration

New players welcomed from agencies; nonprofits

- Addition of Ashton Community Foundation
- Dissolution of Yellowstone Business Partnership
- Turnover of two forest supervisors; addition of ITD

# Biggest Need for Implementation Success: *Collaboration with Federal Resource Management Agencies*

# Teton View Region – 2035 Prediction *Water Will Be Key Determinant of Western States' Resilience*
