

NORTHERN BORDER REGIONAL COMMISSION SUPPORT FUNDING IN THE FY2019 APPROPRIATIONS PROCESS

ACTION NEEDED: Urge your members of Congress, especially those serving on the House and Senate Appropriations Committees, to support funding for the Northern Border Regional Commission's (NBRC) community and economic development programs for fiscal year (FY) 2019 at no less than the FY2018 congressionally approved level of \$15 million. NBRC resources are used for transportation and basic infrastructure, job skills training and entrepreneurial development, comprehensive strategy development, advanced technologies and telecommunications, and sustainable energy solutions in the most severely distressed portions of the Northeastern United States.

BACKGROUND: The Northern Border Regional Commission was first authorized in the 2008 Farm Bill (P.L. 110-627) to help address community and economic development needs within the northern portions of the four-state region of Maine, New Hampshire, New York, and Vermont. This federal-state regional commission was established to leverage the public, private, and philanthropic resources needed to develop and sustain the community building blocks for economic competitiveness and development in the region. NBRC is composed of a federal co-chair, who is appointed by the president and confirmed by the U.S. Senate, along with the governors of each state in the region.

LATEST ACTION: Both House and Senate Appropriations committees have approved FY2019 funding for NBRC. The agency is funded through the Energy and Water spending bill; the House passed its version of the bill on June 7 however the Senate has yet to take up the measure. Spending will need to be approved before the fiscal year begins on October 1.

On March 23, the president signed a \$1.2 trillion omnibus spending bill for FY2018 which funds federal operations through September 30, 2018. Before the bill's approval, the federal government had been operating under a series of continuing resolutions since the beginning of the current fiscal year.

On February 12, the Trump administration released its FY2019 budget proposal, "Efficient, Effective, Accountable: An American Budget." The budget requests \$465 billion for non-defense discretionary spending and \$627 for defense discretionary spending. The proposal includes elimination of NBRC with \$900,000 requested for orderly closure of the agency.

The following table details final funding from FY2017 and FY2018 as well as the president's FY2019 budget request and House and Senate Appropriations Committee-approved FY2019 figures:

<i>Budget figures are in millions</i>	FY2017 Final	FY2018 Final	FY2019 Request	FY2019 House	FY2019 Senate
Northern Border Regional Commission	\$10	\$15	\$.9	\$12	\$20

AREA COVERED: Portions of the four-state region of Maine, New Hampshire, New York, and Vermont. NBRC counties include:

- **Maine** – Androscoggin, Aroostook, Franklin, Hancock, Kennebec, Knox, Oxford, Penobscot, Piscataquis, Somerset, Waldo, and Washington
- **New Hampshire** – Carroll, Coos, Grafton, and Sullivan
- **New York** – Cayuga, Clinton, Essex, Franklin, Fulton, Hamilton, Herkimer, Jefferson, Lewis, Madison, Oneida, Oswego, Seneca, and St. Lawrence
- **Vermont** – Caledonia, Essex, Franklin, Grand Isle, Lamoille, and Orleans

KEY TALKING POINTS:

- NBRC has made significant investments to aid local and regional economies in the four-state region. Per federal law, 50% of allocated funds must be spent in counties designated economically distressed. For 2018, **29 out of 36 counties were considered distressed** based upon criteria including poverty level and unemployment rate.
- For 2017, NBRC awarded **37 projects totaling \$9,028,285 invested in the region. Almost \$29 million has been leveraged, a 1:3.2 ratio of award to leverage match.**
