Take advantage of this chance to get your company's name and message in front of more than 550 regional development policy makers and practitioners from almost 200 organizations from around the nation as an exhibitor at NADO's 2022 ATC. Conference sessions will be held in the Wyndham Grand Pittsburgh Downtown. Conference exhibitors can receive special room rates at the Wyndham.

Conference attendees include councils of governments, economic development districts, economic development councils, and regional planning commission executive directors and staff, and numerous local policy officials who serve on their boards. EXHIBITOR HELPFUL HINTS

- NADO's conference does not include a formal exhibit hall; we have found more effective and increased interaction between exhibitors and attendees by setting up an exhibitor area adjacent to the coffee break and registration area. You will get much more traffic and visibility here!
- We offer each exhibitor a 6 foot table with cloth, as well as two chairs. If you need additional space or chairs, please let us know and we will do our best to accommodate you. Do not send crates of chairs or tables for your exhibit area. The hotel does not accept crates.
- We also offer you a power cord and access to an electrical outlet. Please let us know on the form if this is needed.
- Wireless internet will be available to exhibitors in the exhibit area. If you need to hard-wire your access to the internet, please contact **Brittany Salazar, NADO Meetings & Membership Manager** at bsalazar@nado.org or 301.848.5329.

There will be a cost for this; because costs are based on your particular needs and expected usage, we suggest you contact the hotel directly to arrange and pay for the internet (that cost is separate from the exhibitor fee you pay NADO).

- Some exhibitors prefer to send their stand-alone floor displays; that is generally acceptable but you must notify us (bsalazar@nado.org) in advance so we can determine size and space requirements. Please note: There will be additional charges based on the receiving and handling/movement of items by hotel staff.
- When you ship your materials, please address the box to the person from your organization who will be on site. The number of boxes sent, when you plan to arrive, and when you expect to set up your display should be written on the label(s). In order to insure your items are delivered correctly, exhibitors must be present to acknowledge and then sign for receipt of their items.

- We suggest you track your packages once you send them.
- Be sure to purchase insurance for your materials and equipment as neither NADO nor the hotel will assume liability. It goes without saying that equipment should not be stored in the exhibit area over night.
- Shipping unused materials, display items, equipment, etc. after the conference ends is the responsibility of the exhibitor. Please plan accordingly.
- Your \$900 exhibit fee covers one individual into all conference functions. If additional representatives will be attending, please contact Brittany Salazar (bsalazar@nado.org) for additional rate information.
- A cancellation fee of \$100 will be assessed if we do not receive your formal request before October 1, 2022.
