RETHINKING YOUR WEBSITE |

SESSION GOALS

- Learn the value of a well developed website
- Gain insight into when it's time to rethink your website
- Gain tools to perform your own web audit

ROLL CALL

WHAT MAKES A
GOOD
WEBSITE?

A grayscale image of a hand giving a thumbs up gesture, positioned on the left side of the frame. The hand is the left hand, with the thumb pointing upwards and the fingers curled. The background is a textured, light-colored wall.

WHAT MAKES A GOOD WEBSITE?

- Clear understanding of audience and goals
- Connected to brand and story
- Clear paths for your users
- Obvious call to action
- High functioning (*ahem, mobile friendly*)

| THE AUDIT

EVALUATE EXISTING CONTENT

- Is it in alignment with your audience and goals?
- Is it supporting your brand?
- Is it an inside job?

| THE AUDIT

EVALUATE EXISTING BRANDING

- Is it up to date?
- Is it consistent across the site and other digital platforms?

| THE AUDIT

EVALUATE THE USER EXPERIENCE

- Can they find relevant information?
- How many clicks and pages does it take to find what's most important?

THE FIRST STEPS

| IDENTIFY SITE GOALS

IDENTIFY WEBSITE AUDIENCE BY
USER GROUP TYPE

IDENTIFY USER PATHS

- What does each user type need on the site?
- How do you get them there most quickly?
- What questions are they coming with to the site?

The background of the entire image is a dense, overlapping pattern of fresh orange slices. The slices are cut into thin, circular rounds, showing the vibrant orange pulp and the white pith. The lighting is bright and even, highlighting the natural texture and color of the fruit. The overall composition is clean and fresh, with a warm, inviting color palette.
