### Sign Up

We would like to have as many NADO board members and guests participate as possible. As such, your golfing ability does not really come into play for this tournament. When you sign up you will provide your own level of golf expertise and we will help place you on a compatible team.

Ability Level (Please rate your golfing level on the scale listed below – A, B, C, or D)

- A** - What's golf? Is that where they hit a ball with a stick? Not like in baseball but from the ground.
- B** - Oh, Golf. I've hit some golf balls and been to a Top Golf or driving range before, that looks like fun!
- C** - Golf! I play that 2-3 times a year and then mostly in fundraising tournaments with friends.
- D** - Golf, I love that game! I play regularly. Well at least 5 or so times a year, maybe once a month.

### Unique Features for the Tournament

We will also have some "tools" that will help you with your scoring (the amount and type of tools your team gets will depend on how nice you are to the organizers)

- a. Teams will get a 3ft length of "gimmie" string to help with putts.
- b. Teams will get mulligans to help with errant shots.
- c. You may also get to hit from the forward tees on a hole.
- d. There may be an opportunity to get a miracle putt (more on that later).

***Last year's first tournament was a huge success, certainly proving that the goal of this tournament is to have fun and network with your colleagues from the country. We would really love to have everyone participate who is willing and able.***
