THINK LIKE A HACKER

HACKERS are...

Curious

Non-Conforming

Committed

Creative

Misconception #1:

**It'll work the way it's
supposed to**

(lol no it won't)

The hacker ethos:

Break The Rules

Misconception #2:

**People will do what you
expect**
(lol no they won't)

The hacker ethos:

Challenge Assumptions

ethereum

JDDRH1 SH15

PO502 PO500

NET 02E 520K

Intel
Indefinite Life
PCC ID: 1

Misconception #3:

No one would think to do that

(lol yes they will)

The hacker ethos:

Ask “what if...”

Challenge
Assumptions

Ask "What
if..."

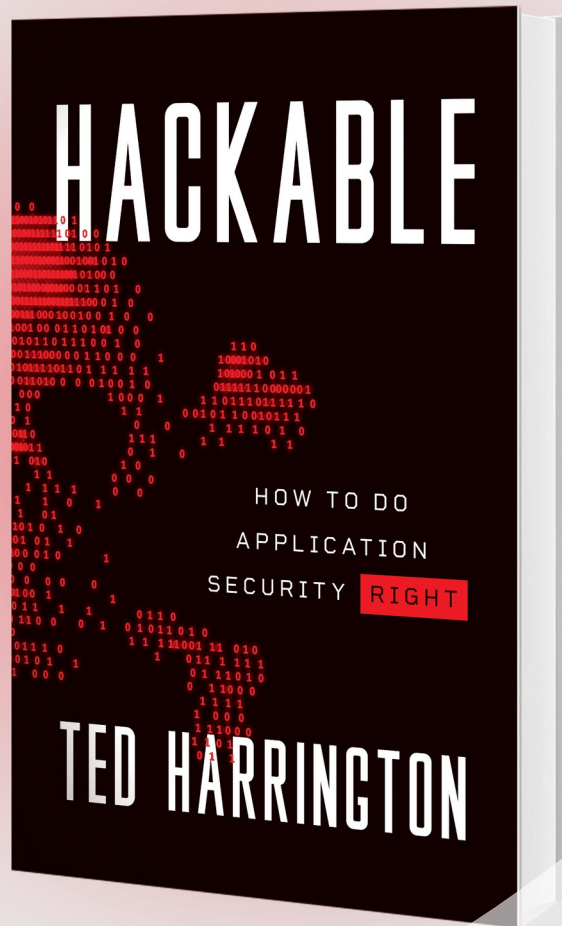

Break The
Rules

These lessons
transcend
technology...

The **HACKER** mindset leads to **BREAKTHROUGHS**

THINK LIKE A HACKER
